MICHELIN Power 6

MICHELIN Power 5

TECHNOLOGIES

MICHELIN
2CT+
TECHNOLOGY

Harder rubber underneath the softer rubber on the shoulders gives better rigidity at lean, for more stability when cornering, especially under strong acceleration or heavy braking.

Center rubber compound for grip and longevity

Outer rubber compound for grip when cornering

FRONT TIRE SIZES

SIZE	TL/TT	CAI
110/70 ZR 17 M/C (54W)	TL	871271
120/70 ZR 17 M/C (58W)	TL	988009
